Constitution's Safety Drive Praised by Roosevelt

THE WHITE HOUSE WASHINGTON

September 26, 1935

Clark Howell, The Atlanta Constitution, Atlanta, Georgia.

I have just been informed of the statewide safety campaign The Atlanta Constitution is sponsoring. Reports received advise me that thousands of motorists

already have signed pledges for safe driving.

The Constitution is to be congratulated.

The problem of safety, involving as it does the prevention of needless fatalities, injuries, and property damages, must be attacked continuously and energetically. It will not be entirely solved until the country as whole adopts uniform laws and until these laws are uniformly, strictly, and impartially enforced.

Very sincerely yours,

FITZGERALD, Ga., Sept. 27.—(P) Trial of two men charged with vio-lation of the state lottery law in the operation of "bank nights" at a Cor-dele theater has been set for October 30, in Corde! superior court, Judge A. J. McDonald, of Fitzgerald, judge A. J. McDonald, of Fitzgerald, judge of the circuit, announced today.

Judge McDonald said the Crisp county grand jury had returned indictments against Frank Woods, proprietor of a Cordele theater, and Dan Roberts. Judge McDonald said it was his wife who was drowning when he finally reached shore after shaking off her dying grip.

On the contrary, he swore, he shouted at one camp, "It's me, Sherman; my wife's just drowned in the lake."

DRAFT ELECTION PLANS

Antis Announce.

NEW ORLEANS, Sept. 27.—(P)—
In smoke-filled hotel rooms today groups of politicians sat around and discussed ways and means of getting control of the politics of the state of Louisiana for the next four years.
Governor O. K. Allen presided at one conference and heard suggestions for holding the ship of state on the same course as charted by the late Huey P. Long.

Congressman Cleveland Dear sat in at another conference and heard recommendations for the state ticket through which he hopes to crash the citadel left by Long.

Each group has a major worry. The Allens struggled, for a formula to take Lieutenant Governor James A. Noe out of the campaign for governor. He bolted the Allen camp when he was left off of the administration ticket.

The anti-Long bloc also has a problem in two candidates for governor as Mason Spencer, member of the state house and leader of the anti-Long legislative group announced a few days for the care of the state of the same and the property of the state of the same care present. Last evening, September 27, 1935, Jews the world over began celebrat-ing the advent of the year A. M. 5696 (A. M. referring to year of creation from the word "molad" meaning "birth" or "creation.")

"The creation is, theoretically, the starting point of Jewish chronology," says Morris Joseph in his book, "Judaism as Creed and Life."

The Jewish calendar computes the day from evening to evening in ac-cordance with the verse, "And it was evening and it was morning, one day."

BY ROBERT QUILLEN.

You are inclined to be sensitive; and though you have yet shown no sign of becoming a horrible example, a little reflection concerning the ways and woes of sensitive people might save you a lot of trouble. The sensitive, as a rule, possess unusual talent and the unusual vanity that goes with it. They are able to feel things that other people

miserable. It is commonly believed that vanity is what causes their hunger for praise, but that is true only in part. Before they are old enough to walk they have learned that praise makes them happy while censure makes them miserable.

Since their one certain source of happiness is praise, they soon learn to devote their lives to the business of earning it.

Of course there are some who are too stupid or too hard-hearted to see the advantage of that system, and these go through life courting trouble. When they aren't curled up in a corner feeling sorry for themselves, they are on the warpath because somebody has hurt their feelings; but they never make any effort to avoid hurt by going out of their way to deserve praise instead of criticism.

The smarter ones fish for applause, but in so doing they adopt a

system that isn't at all smart. They discover that the world praises those who grind its axes, and thereafter they set themselves the task of pleasing everybody.

It is a thing that can't be done, but they come close to it. come the free horse of the family and the easy mark of the neighborhood. Anybody can work them ragged by telling them how unselfishly help-ful they are, and anybody can get their last dime by praising their gen-

what, No Swimming?
I was operated on two years ago for mastoid, and now mother thinks it is dangerous for me to go in swimming. (Miriam)

Answer—Why not ask your doctor about it, Miriam? Perhaps he will tell you how to place soft rubber or wool in the ears to prevent entrance of water, and how to plug the nasal chambers against entrance of water, and how to breathe entirely through your open mouth while you are in swimming. It would be safe then.

the battle of Scotch Plains were laid before Prosecutor Abe J. David, of Union county, today in the first stage of the inquiry to determine who was responsible for the gunfire which killed Mrs. Sophie Crempa, 41.

The head of the Crempa household, John, 43, World War veteran and foe of the Public Service Electric and Gas Company, and his daughter, Camille, 19, emphatically denied opening fire on the seven deputies who went to the house yesterday to arrest Crempa and his wife.

The deputies insisted the Crempas started the shooting, and said they fired in self-defense. Mrs. Crempa was hit five times in the abdomen and died within a few minutes.

Only one of the deputies, Charles Ramley, admitted firing a shotgun, the prosecutor said, and Remley told him he fired at some trees.

Leonard A. Pontus, attorney for Crempa, said Crempa felt convinced the Public Service had no right to

condemn his property, have him awarded \$800, and string high tension lines across the place. It was his defiance of the court ruling that he was not to short-circuit the lines or in any other way injured them that led to the contempt order, which deputies tried to serve, and which resulted in the shooting.

> Reporters and Cameramen Are Denied Privileges of Church as Emperor Haile Selassie Arrives To Attend Weird Religious Services.

By LAURENCE STALLINGS.
ADDIS ABABA, Sept. 12.—(By Mail)—The Coptic church still holds its great share of Ethiopian power, it was proved here when a rehearsal for refuge in case of air attack was summarily called off.

There was to be the usual dril, which almost every nation has become acquainted with, when sirens scream warning, mock enemy planes power-driven to release dummy bombs, and cameramen click shutters in an ecstasy of action. But the word came that the church forbade it. General staffs might plan, and propaganda sections scheme. The church forbade it. It behoaved a writer to visit a church. One such, taking his friend to a church after hours, succeeded in gaining the door, only to be arrested. Accordingly, a better time was chosen: The day began with a drizzle (the emperor, it was announced, would arrive between 6 and 8) and the equatorial moisture soon came on to heavy tropic rain. By dawn the populace was streaming down a little hill to the church of Tekla Haimanot in a grove of Eucalyptus trees.

The day was an anniversary: The saint who restored the Salominian line had been canonized 50 years before. The faithful of the region filed into the yard in white shammas, only the more affluent wearing cartridge belts outside their folds. Sebastian, who has taken an active interest in training a footbal team of service men at Governor's Island, was ordered dismissed from the army by a court-martial after it was learned he married Harriet Hagman, Broadway dancer, while a cadet at West Point, in violation of regulations.

AT ATLANTA'S THEATERS

'Every Night at Eight' Offered at Paramount

as soon as the news spreads.

Eleanor Powell walks off with first honors. She's new to the screen and should be sensational. In fact she already is, She can do everything. Her tap dancing is alive with sparkle and rhythm in a distinctly different manner. Her singing voice is splendid and she can talk like Hepburn better than Hepburn. In addition to that she is an actress of no mean ability. As to appeal, you really must see her. Second in the cast we choose Jack Benny, the radio comedian. He is a hit as the Broadway columnist who peeks through keyholes. Add to these healiners Robert Taylor, Una Merkel, Frances Langford, Sid Silvers, Vilma and Buddy Ebsen, June Knight and many more and you have the sparkling cast.

Produced by John Considine Jr., the settings are lavish, some of them are among the most magnificent this reviewer has ever seen. There is a good plot to the story, too. There isn't a single moment of lag in the entire production, which is saying something for a musical comedy.

This morning at 9 o'clock, Mickey Mouse's seventh birthday will be celebrated with four Mickey Mouse comedies, "Mickey's Whoopee Party," "The Gala Premiere," "The Orphans' Benefit" and the technicolor, "Bad to Concert" and the technicolor, "Bad to Concert" and the technicolor, "Bad to Concert" and three Silly Symphonies, "Water Babies," "The Hare and the Tortoise" and "Who Killed Cock Robin?"

MUNNERLYN HOUSE BEING DISMANTLED Efforts To Save Waynesboro Inn Visited by Washington Fail.

WAYNESBORO, Ga., Sept. 27.— (P)—Historic Munnerlyn house, where George Washington spent the night on the occasion of his visit to Georgia while president, is going the way many landmarks in this state. It being razed to make way for a modern commercial structure.

Efforts of the Waynesboro D. A. and U. D. C. chapters to save the old inn failed this week when it was found that the expense of moving the house to the city park was prohibitive, and workmen began tearing down the

1936 'Broadway Melody' At Loew's Grand Is Tops "Broadway Melody of 1936" is the tops. Sensational, it is without doubt the supreme musical comedy of film-dom. If there has ever been a near equal to it, this reviewer fails to recall the other picture. It opened yesterday at Loew's Grand and we predict a waiting line outside the theater as soon as the news spreads.

Eleanor Powell walks off with first honors. She's new to the screen and the least seem possible, there is restrain and reality in the production, and wonderful bits of dramatic art. Helen Gahagan plays the part of "She;" Randolph Scott and Nigel Bruce are the two scientists, and Helen Mack is the daughter of the unfortunate guide.

Light short subjects and news flashes complete an entirely entertaining bill.

KENTUCKY'S GOVERNOR Faces Charge of Murder SPURNS F. D. R. OFFER

Laffoon and Rhea Refuse Presidential Invitation to Conference.

LOUISVILLE, Ky., Sept. 27.—(A) Governor Ruby Laffoon and Thomas Rhea, leaders of the defeated faction in Kentucky's bitter democratic primary fight, flatly refused today to confer with President Roosevelt confer with President Roosevelt on his special train as it skirted the northern boundary line of the state.

Only Lieutenant-Governor A. B. (Happy) Chandler, who defeated Rhea for the nomination as Governor

(Happy) Chandler, who defeated Rhea for the nomination as Governor in the recent runoff primary, accepted the White House invitation to board the President's train at Cincinnati and ride wih him through southern Indiana.

Laffoon and Rhea, who in the past have acclaimed the President as "our matchless leader," were invited to meet with Chandler on the presidential train on the eve of the opening of the democratic gubernatorial campaign at Lawrenceburg tomorrow. Rhea, in a sharply worded answer to Marvin H. McIntyre, the President's secretary, charged his political foes had raised "barriers" against him at the White House and added, "It is not my desire to break down or lower the barriers thus raised against me."

Governor Laffoon, explaining late today why he rejected the invitation, said, "It has been currently reported and widely circulated the co-operation of the Governor of Kentucky is not desired by the Chandler managers as his victory in November would be more convincing without the support of the democratic state administration. The statement was made from every forum in Kentucky that no candidate for President in 1936 could afford to indorse the record of the Laffoon administration and that the President desired the nomination of Mr. Chandler for Governor of Kentucky."

Mr. Roosevelt explained the administration's naval doctrine in answering a question relating to the present building program.

"The American naval building policy is precisely and without change what it has been during the past two years and a half." the President said. "The United States adheres to the Washington and London treaties. Only a failure to renew these treaties could change American policy, and then only in the event that other nations exceed the treaty limits."

to purchase additional equipment for the osteopathic clinic, 352 1-2 Cen-tral avenue, were outlined at a re-cent meeting of the Osteopathic So-ciety of Greater Atlanta at the Tav-

ciety of Greater Atlanta at the Tavern tea room.

Established on September 1, the charity clinic has demonstrated its usefulness by the number applying for treatment. Many of those coming to the institution, especially children, were said to be as much in need of wholesome food as they were of treatment. A committee was appointed to contact manufacturers of baby foods and request a liberal supply of samples for the use of the institution.

I WO years ago Buick deliberately leveled its sights on 1936.

It coolly set its aim on bringing to market for that year a line of motor cars that would startle the world.

It purposed to do that, not by freak or superficial design, not by skimping quality to make a price, but by sheer merit as expressed in automobile beauty, value, ability.

It submits to you now the eminently satisfying results of that fruitful two years of concentrated endeavor.

Here are four separate series of sensational new Buick cars - cars called phenomenal by experts in the trade who previewed them.

modern styling, as you can see. Each has under the smooth flowing planes and surfaces of its smart exterior, the solid, tough, durable, beautifully engineered chassis that underwrites Buick dependability.

Each is a feast to the eye schooled in mature

And each offers you from the stepped-up power

These cars are big cars every one—built to almost lavish dimensions of body room and head clearance - yet they handle with the fingertip lightness of small cars.

They are literally breath-taking in power and speed and take-off, yet under their new tiptoe hydraulics and easy-steering knee-action they are almost as manageable as a telephone.

They are thewed and sinewed by that quality which springs from Buick's third of a century of manufacturing experience, advantaged by \$14,500,000 worth of new tools, dies and factory re-equipment devised for these cars alone.

These things are so true and so obvious that every where you will soon hear the motor-wise saying, "BUICK'S THE BUY!"

RED AND BLACK FACES BATTLE AGAINST BEARS

Georgia To Have Edge Only in Kicking; Aerial Game Seen.

By Jack Troy.

ATHENS, Ga., Sept. 27 .- There is what the morrow will hold for the what the morrow will hold for the Red and Black of Georgia and the Gold and Black of Mercer in the season's opening game on Sanford field. Macon supporters of Lake Russell's Mercer eleven, staking a great deal on the aggressive spirit of the Bears and the promise of a passing battle, are pouring into town confident of getting no worse than a draw with the Bulldors.

The two teams go out for the kick-off at 3:30 o'clock (eastern standard time) tomorrow afternoon. And, un-til then, the game will be fought and won-and lost-on street corners, in drug stores and at any convenient

HARD, FAST GAME. The football spirit has been defi-nitely aroused. Georgia supporters are looking for a hard, fast game with the Bulldogs sure to have a bit the

better of it. And yet it would not be possible to convince loyal Mercer fans that, for the first time in the more than 40 years of intermittent rivalry, the aggressive Bears aren't going to win. This is to be the 17th game. Mercer has never won or tied a single gree. has never won or tied a single game. Mercer fans are looking back to 1933, however, when the Bears held the Bulldogs to a scant 13-12 victory. And they are hoping for something of a repetition tomorrow with maybe the Bears having the one-point ad-

the Bears having the one-point and vantage.

They lighted the bonfires on the Georgia campus tonight and spirit is flaming. Coach Harry Mehre is uncertain about his eleven. The squad will not be harassed by injuries, but sophomore replacements have not measured up to expectations. JOHNSON READY.

Quite unexpectedly it has been revealed that even Glenn Johnson, reserve halfback, will be ready if needed. Harry Harman, veteran tackle who suffered a broken nose in scrimmage

this week, will play in the game wearing a noseguard.

Both teams took their final workouts this afternoon. Both appeared ready. Georgia, it seems, will have the better of it in so far as reserve strength is concerned.

Mercer has a small squad of 26 players. The backfield, centered around Alan Bloodworth, triple-threat quarterback, is one of the best in Bear history. The first-string line is very capable but lacks capable replacements. Georgia likely will have the better of the battle from the standpoint of kicking. John Bond, co-captain and halfback, and Maurice Green, the big sledge-driving fullback, are long kickers.

There must be an edge in such a game and it must be awarded to Geor-gia. The Bulldogs have more guns.

run drive. And they had played smart, heads-up baseball to score one more in the sixth. BOBBY CENTRAL FIGURE.

Durham, who has won six out of even games pitched against New Orleans this year, was the central figure of the game. The New Orleans team went in there today determined to win this one and stay in the race. But Bobby Durham, his white teeth showing in a smile all the way, swung that arm like the scythe of death whenever there was trouble. Twice he grinned and pitched his way out of trouble.

That arm of his rose and fell like an arm of destiny and so it was. He allowed seven hits today but it was he who delivered not only the pitch-ing to stop New Orleans but the hit-

ing to stop New Orleans but the hitting that booke them down.

It was in that fifth when the Crackers finally got to Andy Messenger that Durham came through with the coup de grace. After being held to two hits in the first four innings, Harris singled and was followed by a double from Lipscomb's bat. An error by Chick Autry, who dropped a throw at the plate, allowed Harris to score and Lipscomb to advance. And then Joe Palmisano squeezed him home from third.

DURHAM HITS HOMER.

Up came the debonair Durham and blasted a home run over the left-field fence. But for that the score would have been just 2 to 1 at the end of that inning. And any baseball man will tell you there is a wide difference in 2 to 1 and 3 and 1. With one score you are in the ball game. With the other you are not.

And when the sixth followed, with

Hutcheson stealing home as part of a double steal, the game looked safe

that was too long.

And the Pelican fans kept pulling for a rally. With one gone in the ninth Chick Autry's single had them Larry Gilbert halted the game and replaced the slow-footed Autry with the fast-stepping Roussarie. And the crack of Connally's bat sounded like

HEINEMANN PARK, NEW ORLEANS, Sept. 27 .- You should have seen our brave and gallant lads a few moments after they had won the Southern association baseball pennant this afternoon, taking the game from those Pelicans.

They went mad in the dressing room. They stripped off uniforms. The place was full of steam from the showers. Men (Copyright rushed here and there slapping pals in the face with wet towels. They threw furuiture. They mobbed Johnny Shores, the

They yelled loudly and without meaning. They danced and capered about the place.

After all, pennants aren't won every year. Not by a whole factory full of them. Our town hasn't had one since 1925, for instance. And this one is a good one. Following a great year.

And so they celebrated.

After a while they quieted down long enough to begin talk-They swore solemnly and earnestly that Bobby Durham was a great pitcher and a swell lad, which he is. And they swore solemnly and profanely, but without offense, that Alex Hooks' final play was a dipsy-doo.

And it was. Oh, it was a nice party in the clubhouse. It's great, traveling with a winner. As I said before, the wine of life has more bubbles in it. And there

is a great zing in the little everyday things of life. "We'll scalp those Indians clean as a whistle," said Jim Lindsey, finally, when there was some quiet in the room. And the crowd yelled. I think they will.

This is a great ball club and a great gang to be with.

PENNANTS FOR OUR POLE.

Well, friends, if you care for a little baseball fashion note or so on what the well-dressed pennant pole will wear next spring, I can say the motif seems to be red and blue.

The Dixie championship pennant, the Shaughnessy pennant and the Southern association pennant will all look very good ideed on that flag pole in Ponce de Leon park. That pole has been nude since 1925 and for some time now, the Ponce de Leon pennant pole has been complaining.

"I started all this nudist business years ago," said the pennant pole just the other day. "I don't see why there is such a fuss about it in these later years. I haven't had any clothes And that ninth was, as aforesaid, a fitting climax. The Crackers had played a bit carelessly after getting their lead and wasted at least one acoring chance, Hamel getting picked off second in the eighth with a lead that was too long.

Well, anyhow, here is your reporter in the press box at Heinemann park, looking out ahead at the flagpole. There are two pennants on it, one representing the Southern association championship and the other the Dixie title of last season.

a base-hit.

It was so fast that the yell which answered the crack of the bat was still in the air when Hooks came down with the ball and touched the bag for the third out.

Incy are two of the largest pennants ever made, being at least thirty or forty feet long. As I write they billow and preen in a breeze from the gulf. They are blue, with a red border. I am giving you all this information so there may be some idea what to expect on the flagpole in our fown part and the same are two of the largest pennants ever made, being at least thirty or forty feet long. As I write they billow and preen in a breeze from the gulf. They are blue, with a red border.

I am giving you all this information so there may be some idea what to expect on the flagpole in our town next season.

I do not think these pennants, while large, are large enough. They have had a few pennants in New Orleans in the past ten years. We have not. It is my idea that Atlanta's two pennants should be large enough so that when the breeze catches them and flings them out at full length, the peak of the pennant will extend from center field to just over the batsman's head as he stands at home plate. We may as well appease that pennant hunger in one fell swoop. There remains, of course, the task of winning the Dixie Series championship. But that will be for our brave lads, just a canter.

Our pennants will look better than the New Orleans pennants because of the background. Our pennants will float before a background of Normandy poplars, evergreens and flowers. The background here seems to be a couple of deserted factories, what is a great kicker and last year completed 22 consecutive forward passes as a member of the Stanford freshmen. But at that, there have been years when I would have traded some of our Ponce de Leon packground for a pennant. Looking at a nude pennant pole in front of an aesthetic background is not very comforting.

NO ONE SERIOUS BUT US.

It seems that no one is taking this Shaughnessy system playoff seriously but our town. Our town has turned out threefourths of all the attendance at the play-off games. And our o town is paying in three-fourths of the money, which will go 10 per cent to the league, 20 per cent to the fifth, sixth, seventh and eighth place clubs, \$1,000 to the Crackers for finishing first in the schedule and the remain 70 per cent, less the one grand, to be divided 65 per cent between our club owners and the New Orleans club owners.

The owners at Nashville and Memphis divide 35 per cent of that remaining 70 per cent.

But our fans are the sugar papas to the Southern league this year, in the regular season and in this play-off. New Orleans and Memphis drew less than 3,000 for their largest crowd and had about 900 at their smallest. Nashville did fairly well. o Atlanta supplied the crowds. New Orleans turned out today an approximate 2,000. So far as the baseball fans here are Totals 32 1 7 27 13 2

Bud Thomas To Pitch Oklahoma City Opener

Texas Champions Play Here Sunday and Monday; Crackers Arrive Home Today.

By Ralph McGill.

NEW ORLEANS, Sept. 27.—The jubilant Eddie Moore, manager of Atlanta's first pennant-winning baseball team since 1925, said tonight he would open with Bud Thomas in Atlanta Sunday afternoon when the Southern league champions, from our town, meet the Oklahoma City Indians, managed by Bert Neihoff, in the first game of the Dixie series. "I'll open with Thomas," he said. "And I think that means we will get away with a victory. We are going right after that next champion-

Moore has won the play-off series from Nashville and New Orleans with Bobby Durham, Bud Thomas and Jim Lindsey, two "B" pitchers and a veteran. They have each performed brilliantly. The Sunday game will start at 2:30 o'clock, central time.

The Crackers play Oklahoma City Sunday and Monday. The Monday game will likely be a night game. The team will travel on Tuesday and open in Oklahoma City Wednesday, playing three games there and returning to Atlanta for another opening on Sunday.

If another game is needed a coin will be tossed to decide it. The series will be four out of seven. Nill be four out of seven.

Niehoff's club has great pitching but not much hitting, there being not a single .300 hitter on the Indian team. But they are dangerous with their pitching.

team. But they are dangerous with their pitching.

Larry Gilbert went over to the Cracker bench after the game and cong atulated Eddie Moore and the rest of the team. Then, in the Pelican dressing room after the game he said:

"They outplayed us and deserved to win. We'll be pulling for them heart and soul in the Dixie series and I think they'll do it. They play clean, heads-up baseball and in leading the league and winning the two playoffs so decisively they proved beyond all question of doubt that the best team won our championship."

Drastic Shake-Up

Cardinals Face

COLUMBUS, Ohio, Sept. 27.

(UP)—The St. Louis Cardinals face a drastic shakeup because they failed to retain their National league pennant, Branch Rickey, vice president and general manager, told newspapermen here recently "for publication when St. Louis mathematically is eliminated."

Rickey blamed the Cardinals' failure on internal dissension and emphasized that he is determined there will be no repetition next year.

Although most of the trouble centered around the Dean brothers, Dizzy and Paul, Rickey said that neither would be sold nor traded. Joe Medwick, outfielder, who had a fist fight with Dizzy in Pittsburgh, is expected to go.

Dixie series, says he thinks the Dixie series will be a tough one.

"Oklahoma lacks punch," he said.

"There isn't a 300 hitter on the team. But it has the pitching and will give a good account of itself, we feel."

That seems to be about all. Our gal-

KING FOOTBALL

Alabama and Stanford Among Champions Who See Action.

By Edward J. Neil.

NEW YORK, Sept. 27.-(AP)-Drowning out the last faint echoes of the Louis-Baer fight, pushing the coming World Series between the Cubs and the Tigers into the background for the day at least, big league football, in all its fall glory, storms into the sports scene tomorrow, to stay until the frost is on the last pumpkin.

Some of the nation's headliners, on the eastern seaboard, in the south, far west and midwest, have put off inaugural day for another week, and few of the other big fellows swing-

few of the other big fellows swinging into action meet opponents anywhere near their size.

The bell will ring just about everywhere on sectional champions, most of them lacking famous stars of last year, all of them boasting new faces eager to take the places of the old. Many new coaches will set their new regimes in motion. And the same old throngs, rallying from depression, will be shaking the moths out of coonbe shaking the moths out of coon-skins and big wool mufflers, ready and willing to make this the biggest year financially college football had known since the bottom fell out of the stock

TIDE MINUS ACES.

Alabama, generally considered the national champion after conquering Stanford in the annual Rose Bowl classic, swings into action against Howard, without brilliant Dixie Howell, one of the finest backs of 1934, or his passing partner, Don Hutson, Allamerican and

or his passing partner, Don Hutson, All-American end.
Stanford, Pacific coast conference champiops for two years and favorites again this season, tears into San Jose, with Big Bobby Grayson, Bones Hamilton and the rest of the sturdy gang that started together as sophomores, in action now for the last season.
Washington, strong coast contender

in action now for the last season.
Washington, strong coast contender this year, opens against Idaho and Southern California tackles Montana.
California, Oregon and Oregon State meet moderate opposition while St. Mary's hauls off at Nevada, the team that startled the football world last fall by whipping Slip Madigan's Gaels 9 to 7.
Slower than the rest, the east offers little of moment, although Navy may have trouble with William and Mary, Pittsburgh, Colgate, Fordham Holy Cross, Cornell, Dartmouth, Boston College and Villanova, among the outstanding teams, meet warm-up opposition. BY FRANK MACMILLEN. NEW YORK, Sept. 27.—(R)— Stock market traders were generally notably cautious in their dealings to-day, and with the exception of buying a few specialties, left the majority of issues but narrowly changed from the previous close.

Most equities churned idly with small gains or losses, though Standard Gas & Electric issues were under pressure as the company applied for recognization with the campany applied for

reorganization, with the common down nearly 2 points, and the various pre-ferreds off around 2 to 5. The Associated Press average of 60 stocks, at 49.4, was unchanged, with a small advance in the industrials off-

set by an equally undecisive loss in utilities, while rails held about level. The wariness with which traders were approaching the making of com-mitments was mirrored in the con-tinued relatively small volume, 1.123,

Bank Clearings

NEW YORK, Sept. 27 .- The vol-NEW YORK, Sept. 27.—The volume of bank settlements is still heavy, the increase being well distributed throughout the country. Total clearings at the 22 leading cities in the United States for the week ended Wednesday, September 25, as reported by Dun & Bradstreet, Inc., was \$5,040,128,000 against \$4,193,245,000 a year ago an increase of 20,2 per cent. 1 or the preceding week the advance was 20.0 per cent. At New York city clearings fere \$3,253,871,000, an increase of 21.8 per cent over the amount reported last year, while the aggregate for centers outside of New York city of \$1,786,257,000 was 17.4 per cent. ume of bank settlements is still heavy, the increase being well distributed

The feature of the report throughout September has been the uniformity of gain that appeared in the company of the september parison with the clearings reported a year ago at most cities and this was even more marked in the latest week. There was some reduction in the latest report from the preceding week in both years because of the heavy payments on account of fede-al taxes due in the middle of the month, and these were particularly large this year. For the

particularly large this year. For the past week clearings were below those of the preceding week by \$806,186,000, a year ago for the same two weeks the decline was \$671,594,000.

Including New York, the increases were marked at Boston, Philadelphia, Buffalo, Pittsburgh, Chic. so, Cincinnati, Atlanta, New Orleans, Louisville, Minneanlis, Owner Star, Francisco Minneapolis, Omaha, San Francisco, Portland and Seattle. Figures at leading centers compared

ATLANTA SPOT COTTON.
Atlanta spot cotton closed steady, middling 5 points of at 10.75.

By FRED WILLIAMS. NEW ORLEANS, Sept. 27.—(P)— Early gains failed to hold on the cot-ton market today as light hedging pressure and week-end liquidation brought minor recessions of 2 to 4

points net on the day. For most of the session active op-tions held around 5 points above pre-vious closing levels, largely the result of some speculative buying based on bullish weather reports.

Light offerings were absorbed in a good manner and the trade offtake ap-peared sufficient to keep prices on an even keel. But in the final hour hedge sales increased in volume, found a scarcity of buyers and when coupled with week-end liquidation, resulted in an easier tone for all options.

Final prices were also the lows for the day as October finished at 10.40, December at 10.42 and May at 10.60. In the spot market middling lost 3 points at New Orleans on sales of 6,357 bales, dipping to 10.68.

Bullish weather reports continued to emanate from the western section of emanate from the western section of the belt, notably Texas, while the un-certain course of hurricanes in the gulf caused some concern. Frost talk was also heard again today, although it was reported that the average date H—

11 was reported that the average date for cold spells in the northern part of the belt is around the first week in November.

Some professional purchases came into the market behind these developments, but proved insufficient to keep the market behind plus signs until the final bell.

Trade statistics were comparatively favorable today. Exports in the past week reached the highest total of any similar period this season with an aggregate of 38,611 bales. Port receipts for today, amounting to 100,954 bales, were also the largest for any day this season. Spinners' takings were up -R-2 Rio de Jan 6 s 59 ... 10 10 10 10 2 Terni Elec 6;s 53 ... 44 44

Thursday's finals in quiet trading today.

United States government issues were uniformly weak and closed around the lows of the day, 2.32ds to 7.32ds off. Foreign bonds were mixed with a fresh sinking spell in Italian loans the feature.

Transfers of \$8.458.000, par value, were around \$1,000,000 less than on the day before and the turnover in governments aggregated \$1,490,000 against \$1,890,000. The Associated Press averages were .2 of a point higher to .1 of a point lower.

Although several issues of bonds of the Standard Gas & Electric dropped 2 to more than 5 points on the Curb Exchange following the filing of a petition for reorganization under Section 77-B of the bankruptcy act, other power and lights bonds on both the Curb Exchange and the big board were steady to firm. Closing prices were around the best of the day and ranged from small fractions to more than a point. The better feeling in investment circles toward these securities, evident, since the initial meeting between leaders of the industry and evident since the initial meeting be-tween leaders of the industry and members of the SEC went off smooth-ly, was cited as one reason for the better tone.

Swiftly the man was brought to the hospital here. Doctors pronou ced him dead.

But a nurse discovered signs of life. An hour later the victim regained consciousness sufficiently to give his name as James J. Miller, of Jacksonville, Fla.

Another hour passed. A nurse went to his room.

The bed was empty!

He has not been found.

COMING FOR HARVEY'S

Believing the public of Atlanta appreciates good music and refined entertainment with good food, Sam Dardarian, of the Harvey Restaurants, has made extensive plans for the patrons of the beautiful Continental Room at 98 Luckie street.

This program covers a schedule that will appeal to all members of the family and to individuals who appreciate better food and refined entertainment as well as danging in good water that we will be serving a water to be the continuous co

ciate better food and refined entertainment as well as dancing in good
company.

A feature that will appeal to family groups is the regular Thursday
"Children's Review," a different show
each week by talented children of Atlanta. Another feature is the wellknown Marty Semon orchestra playing
daily and the new Saturday night
floor show and dancing.

Walter Cutcliffe, who is serving a
12-month sentence on the Fulton county chain gang, yesterday filed application for executive clemency. Cutcliffe
has been on the gang a little more
than a month.
Cutcliffe's attorney, J. O. Ewing, is
expected to ask the prison commission
and Governor Talmadge to permit the
former alleged lottery king to serve the
balance of his sentence on probation.

nent Florida wrestler, to test the skill of Honey Boy Hackney, New Jersey star, in the feature match.

Hackney, who has been winning about as he pleased on the Key programs, will have to be at top form to turn back Marshall, fans believe.

The Florida star, who is very fast, will offer a speedy target for the flying leg scissors of Hackney.

The semi-windup will bring together Joe Santell, of St. Louis, and Jack Russell, of Baltimore, both hard-hitting, hard-to-down matmen.

Home-bred boys will grace the opener. Young Londos, who has lost few matches here in the past year or two, will clash with Wesley Brownlee.

Tickets are on sale at the Five Points Soda Company, or may be reserved by calling Main 2539.

them the old smile and the old dipsydoo ball which they can't hit. And so the Crackers rode that arm to the championship of the Southern league.

The Crackers got 10 hits, most of them timely.

They demonstrated they are a real championship team by winning first place in the schedule of 154 games and then winning three from Nashville and tying one. And then smashing through New Orleans in three straight games.

It was a great finish to a spectacular season. And the Crackers will return home at 1:45 p. m. Atlanta time Saturday to prepare for the opening Sunday agains Bert Niehoff's Texas league winners.
